

KAINOS GLOBAL

# Annual Report *2024*

# The Kainos Global Board

## SERVING JESUS WITH DIVERSE GIFTS

**TODD  
ATON**

Todd Aton is a software engineer for Kroger who loves Jesus with all his heart. Amidst his decorated career in software design and corporate management, he has been studying the Bible for decades and is amassing a collection of deep revelations and study materials. Todd made a special guest appearance on the Unstoppable Podcast in Season 3. Todd and his wife, Julie, live near Seattle, Washington. Their three children are all grown.

**KYALL  
BARROWS**

Kyall Barrows is the lead engineer and mobile gaming architect at Marauder Tech Games. Kyall is an avid inventor and entrepreneur who is always coming up with creative ideas on how to minister to the lost and broken in innovative ways. Kyall has a passion for bridging the gap between the spiritual realities of heaven and the professional realm. Kyall and his wife, Candace, along with their daughter live outside Austin, Texas.

**AARON  
EGGMAN**

Aaron and Sally Eggman are former missionaries to China. Aaron holds a master's degree in Executive Coaching and Consultation and is a counselor and administrator at a distinguished high school in Santa Barbara, CA. Aaron and Sally formed Character Formation Coaching, a transformational faith-based personal coaching organization that helps empower people through powerful encounters with Jesus and through understanding scientific processes behind how the brain experiences transformation. Aaron and Sally live in Solvang, California, and have two daughters.

**AARON  
PATTON**

Aaron and Katie are full-time missionaries with Iris Global in Tokyo, Japan. Along with helping establish a missions base and budding house church, Aaron and Katie serve Jesus in every practical way possible, giving their very lives to the Japanese people. Before Japan, the Pattons were missionaries in Haiti and have taught missions schools in South Africa with Iris Global. Aaron and Katie have three (plus one!) children who are little missionaries just like Mom and Dad!

**RYAN  
RISOR**

Ryan Risor started flying at the age of 15 and has accumulated over 10,000 flight hours. Today he and his wife, Taylor, own and operate a nationwide top-performing aerial imaging service with a fleet of 10 small (and heavily-modified) aircraft. Ryan plays bass guitar and serves in numerous leadership roles at his church. Like the other members of our team, Ryan brings a powerful blend of his passion for Jesus and his vocational skills to the table to help Kainos Global fulfill everything we are called to do. Ryan and Taylor, along with their two daughters, live in Pasco, WA.

## A MESSAGE FROM OUR FOUNDER

As I write this, it is well into 2025 and I am having a hard time remembering everything Kainos Global did in 2024. Honestly, I don't remember the half of it, partially due to preoccupation with finishing my schooling, and (this is more the truth) partially due to the fact that there is simply so much that has happened in 2024 through Kainos Global missions work that it is simply overwhelming. I know I said something like this last year in the 2023 report, but I am absolutely humbled beyond words when I look at what God has done with the time, energy, and resources our team has yielded over to the Lord for His service in Kenya. But I cannot say I am surprised. It's just like God to take the unlikely and weak and uneducated and lowly thing and multiply and bless and do something incredible with it.

He is the One who makes the weak strong (Joel 3:10), the dirty and ugly beautiful, the sorrowful brimming over with joy, the heavy-hearted light and full of praise (Isaiah 61:3); Who exalts the poor and needy, and makes the barren woman a joyful mother (Psalm 113:7-9). That is our Heavenly Father. He seems to specialize in doing things the opposite of how we usually think it should be done. Who am I to be making a difference in Kenya? I remember being broken, depressed, and even contemplating ending my own life; hardly able to pay my bills. But I know that I have heard from God. He has given me an assignment, and I have learned to trust that He knows what is best for my life; even much better than I do. As it turns out, He really does. Imagine that!

I wonder if you have heard from God as clearly as I have. I hope you have. But if you have not, I want to encourage you to not waste another day without hearing from God concerning what He has designed you for. Besides all the wonderful things He has for you to experience and accomplish, just spending more time with Him in an effort to hear His still, small voice is enough to stir up a flame in the deepest part of the human spirit, to fill the sails of your soul with the gentle yet purposeful winds of Heaven, and to satisfy your every need. Jesus is LORD. That means He is Lord over my life, my will, my emotions, my ambitions, my dreams, and everything about me now or everything I will become.

Have you yielded absolutely every ounce (or gram, if you prefer SI like me) of your being to Jesus? Remember that "whoever desires to save his life will lose it, but whoever loses his life for My sake will find it" (Matthew 16:25). There's no adventure in life so fulfilling as what you will find when you yield absolutely every molecule of your being to Him.

In joyful service of King Jesus and a fellow soldier with you,

*Justin*

# Our Vision and Mission

**WE WON'T STOP UNTIL THEY  
HAVE ALL HEARD**

## OUR VISION

We won't stop until every people group in the Horn of Africa has been reached with the Gospel of Jesus Christ. We envision a missional church planting movement, equipped and empowered pastors, and God's people walking in the light of His Word and the power of the Holy Spirit.

**USHERING THEM FROM  
DARKNESS INTO LIGHT**

## OUR MISSION

Kainos Global exists to help usher people all over the world out of darkness and into light through reaching unreached people groups in developing countries by community development programs, missions work, and by teaching the Word of God.

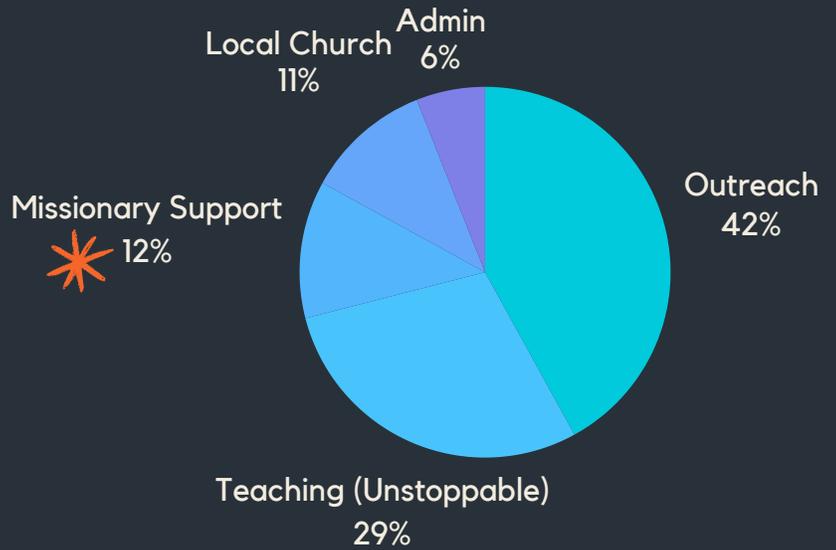

## TOTAL GIFTS IN 2024

# \$7,513.29

Our goal is to keep administrative costs under 10% (even better than 2023!) and to prioritize outreach and teaching ministries as the top two branches of how we invest the Kingdom finances entrusted to us. For the second year in a row, Kainos Global proudly met both these main goals.

\* Missionary support is specifically designated for our partner missionaries in Kenya, not the bush country pastors and missionaries. Those gifts are included in the Outreach category.

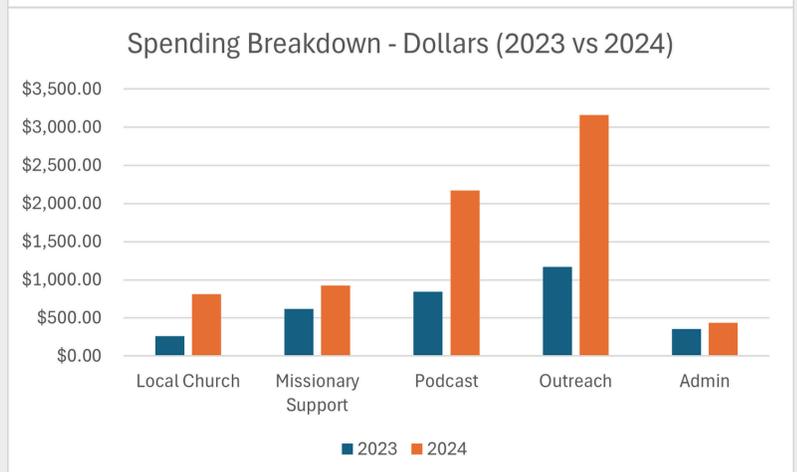

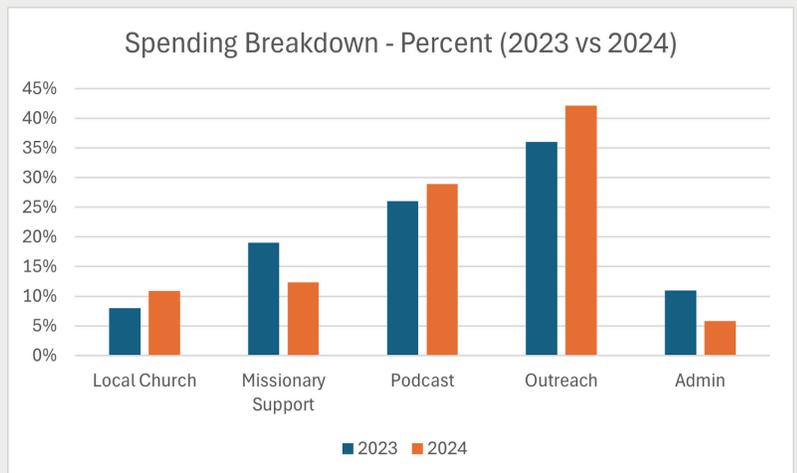

### 2024 Spending

### How Did We Do Compared to 2023?

- Contributions increased by 132% (THANK YOU PARTNERS!!)
- Giving to our local church (The Well Los Osos) increased from 8% to 11%
- Missionary support increased (although not shown in the plots). This is due to missionary support in 2024 primarily being captured under the 'outreach' heading.
- We invested more in the Unstoppable Podcast. We were able to pay Eric more (yay!) and cover increased production costs.
- Admin costs were slashed from 11% to 6% due to a few strategic structural changes!

We invested heavily in outreach this year, increasing from <\$1200 in 2023 to nearly \$3200 in 2024. This spending represents anything from outreach missions to the bush country, showing the JESUS film, pastor and missionary teaching seminars, feeding programs, and more. Glory to Jesus!

# Impact Snapshot

**OUR TOTAL IMPACT ISN'T TOTALLY QUANTIFIED BY NUMBERS, BUT HERE ARE A FEW USEFUL ONES:**

13,395	People from 'Frontier Unreached' people groups heard the Gospel of Jesus
173	People received salvation
408	Native Kenyan pastors and missionaries served
64	Bibles and Christian books distributed

## Lives Forever Changed by Jesus

If we were to include half of the stories and testimonies we hear about lives being changed through what God is doing through Kainos Global, this report would be a very thick book! Below are just a few stories of how God is working in the region of Kenya He has put on our hearts.

### Testimonies

Pastor Joy (far right) had been going into the women's prison to show love to these hurting and lonely women. During one of her times of loving on people, she shared the story of Jesus with this woman (left) who was incarcerated for a very long time. The woman gave her life to Jesus.

A girl involved in an accident, prayed, and God healed her back instantly.

At one open air crusade, there was a miracle of a child receiving her health back immediately. At the same service, several women using witchcraft turned against their traditions and said YES to Jesus.

During one outreach event, an entire village of alcohol and drug abusers give their lives to Jesus.

A Muslim young man confessed Jesus as Lord. Our team helped facilitate his safety to avoid being profiled for his new faith by receiving Jesus. He said no matter the hardship he will go through, he is willing to pay the price to the end and live for Jesus.

Upon receiving a Bible, one person said, "I am thankful to God for the Bible gift, which is the first one I have ever had."

# 2025: What's Next?

## GOAL 1: \$1000 PER MONTH INCOME

We aimed for this last year, didn't hit it, but are not discouraged! God is faithful. Besides that, we are absolutely thrilled with what He has done with our current income of roughly \$625 per month (a 132% increase over 2023!). But the more we do, the more we see how hungry the beautiful people of northeastern Kenya and southeast Somalia are for the Gospel of Jesus with the power of the Holy Spirit. We are asking for more partnership to expand our reach to do what God has asked us to do!

Pastor Peter (foreground) sits with a team of Congolese and Rwandan football players (we call it soccer). The sports evangelism work has been very fruitful, with many Muslims and refugees hearing the Gospel of Jesus between matches, and many of them are responding!

## GOAL 2: CLEAR BILLS FOR VAN OVERHAUL

Last year we had a goal to 'replace the ministry van,' and it happened! But we are still working to pay off the final bills for all the van updates. The image on the right shows the new (refurbished, really) ministry van, ready for outreach work in some of the harshest road conditions conceivable. The van is shown here with a portable PA system for street evangelism and worship.

The Hossana Covenant City Church (Watamu, Kenya) worship team praying, prophesying, preaching, and singing in a street evangelism crusade in Watamu, Kenya. Many people, mostly Muslims, are responding to the seeds we are sowing through street crusade ministries.

## GOAL 3: GIVE OUT MORE BIBLES, SEE MORE SALVATIONS

You may have noticed on the last page that while we shared the Gospel with a significant number of people (>13,000), a relatively small percentage of people responded by giving their life to Jesus (<200), or about 1.2%. I know numbers aren't everything, but they can help identify areas to think about. I want to reach more people, especially from the 'Frontier Unreached' groups, but it is my desire to also see more people respond to the invitation to follow Jesus. We will also invest in getting more Bibles out to pastors, missionaries, and people hungry for spiritual truth!

# We are so thankful to our generous *partners*

Thank you  
for your faithful gifts  
and continual prayer!

We would love the opportunity to share our heart for missions in Kenya with your church and/or finance board. Please feel free to share the information in this report with your pastor and to contact us with any questions.

We hope to establish partnerships with local churches to provide opportunities for missions giving. Our heart is to encourage, equip, and empower the local and global Body of Christ.

Thank you!

 +1 805-635-4290 ← Justin's cell phone!

Kainos Global tax ID is: 93-1589835

Kainos Global funds go directly to ministry outreach programs directed toward recovering alcoholics and drug abusers. We see many recovering addicts accept Jesus and turn their life around after these outreaches.

Street evangelism using the new van in 2024. Many people are beginning to respond to the public preaching and teaching of God's Word!
